Dear Ashwani Chugh,

Jai Shree Mataji.

This refers to your letter of 15 May 2024, (signing as Delhi State Coordinator) addressed to the Sahaj Yoga Central Committee of India (SYCCI) informing the SYCCI that the LET Delhi has unilaterally decided to disassociate itself from the Sahaja Yoga Central Committee of India. SYCCI is shocked and dismayed at this patently arbitrary and amoral announcement.

Most importantly, all of you must realise that this arbitrary and amoral decision by you, claiming to represent the Delhi collective, is in complete violation of Shree Mataji's clear and explicit instructions to establish the India Central Committee. With such overt and direct refutation of Shree Mataji's instructions, do you still consider yourself to be fit to be called Her follower, let alone Her children for whose spiritual birth and evolution, She worked so selflessly and tirelessly all Her Sakaar life.

We would like you to explain to the Delhi collective what was the compulsion to disobey Shree Mataji's explicit instructions (Adesh)?

Your arbitrary decision is also in complete violation of all expected code of conduct of running a Trust, let alone a sacred Trust established by Shree Mataji.

Did you for example, consult the Delhi/NCR collective at any point, before taking this sacrilegious decision?

Was a formal meeting of the LET Delhi called to discuss this decision? Was a notice given for the meeting? Who all were present in such a meeting?

Was the resolution for disassociating LET Delhi from the SYCCI approved by a majority of the Trustees present at such a meeting? Clearly neither was such a meeting ever called nor a resolution passed.

Having arbitrarily written to the SYCCI informing it of the decision, was the collective duly informed even post facto? We believe not. Otherwise please let us know the date on which this was done.

(Founder of Sahaja Yoga)

All of you are well aware that the two CCs were created by Shree Mataji to oversee the working of all trusts all over the world. Therefore, all of you Trustees need to answer this publicly.

Of course, your lack of respect for Shree Mataji was in full public display in your collective disrespect of Kalpana didi on 21st July 2024 on the occasion of Shri Guru Puja at Nirmal Dham. This was in complete violation and disregard of Shree Mataji's instructions to maintain the relevant protocol with all Her family members and pay them the due respect. This is completely unacceptable to the SYCCI.

In our collective view, all of you, have no right, any longer, to remain Trustees. In fact given your current behaviour, as detailed above, all of you have forfeited all rights to be even considered as Sahaja yogis.

Therefore, SYCCI now, not only demands your resignation but would want YOU AND ALL THOSE INVOLVED IN THIS DECISION TO STAY AWAY FROM THE SAHAJA YOGA COLLECTIVE TILL FURTHER NOTICE. This will hopefully give you sufficient time to introspect, meditate and get back into respecting Shree Mataji's explicit instructions and respecting Her family members.

We would like you to share this message with all the Trustees of LET Delhi and the Delhi collective. Let the collective decide if they would entrust the running of LET Delhi to persons who have brought such SHAME on Sahaja Yoga and Nirmal Dham.

With warm regards,

Sudershan Sharma
Coordinator

On behalf of The Sahaja Yoga Central Committee of India.
